

ANTIQUE RESOURCES

HISTORIC AND ONE OF A KIND PIECES

SHIPPING POLICY

1. Antique Resources does not offer shipping. If you require a professional mover, we can recommend packing and moving companies that may offer transportation insurance. Not all third parties offer liability, please make sure to review their policy prior to booking. We are not responsible for any damages that may incur during the packing, handling, shipping, transportation process, or any other event.
2. The customer can choose a shipper or moving company of their choice. Antique Resources recommends using someone with experience handling antiques or a reputation for handling fragile items.
3. A Bill of Lading or Shipping Invoice will be required from the shipper. Please email Antique Resources the required documentation at least 24 hours prior to collection to antiquerresources@msn.com. All shippers or movers will have to sign the shipping invoice agreeing that all the details listed in the document are correct and that they have received every item and package listed in complete and in good condition, absolving Antique Resources from any liability.
4. The purchaser must contact the shipper of their choice and provide them with our store hours so the pickup can be arranged within those hours where they allow themselves enough time to securely pack and inspect the items. Please inform us at least 24 hours prior to the agreed upon date and time that was been arranged by you and the movers.
5. Items must be packed by the person/shipper picking up the purchased item(s). Therefore, shippers will have to include this service. Most movers will not insure an item unless they have inspected and carefully packaged the item themselves. The person picking the purchased item(s) is solely responsible for the safe packing, loading, transportation, and will need their own vehicle, packing materials such as blankets, rope, and other necessary supplies.
6. Purchases should be scheduled to be picked up at our location, 1741 W. Belmont Ave. Chicago, IL 60657 anytime Tuesday - Saturday from 11am - 5pm, CST. Allow enough time to securely pack and inspect the items. Please inform Antique Resources at least 24 hours prior to the agreed upon date and time that has been arranged by you and the movers.
7. Purchases must be picked up within our 30-day storage grace period. We will charge a \$20 late daily fee per item immediately after the storage grace period ends. An additional 10% will be added to the late daily fee 30 days after the storage grace period ends. The item(s) will not be released until the late daily storage fees are paid in full.
